2010 Kettenburg Regatta

Sunday

June 6, 2010

Dear Kettenburg Owner,

On behalf of the Ancient Mariners Sailing Society, I would personally like to invite you to participate in the annual Kettenburg Regatta Sunday June 6th. Although this Regatta is not an Invitational event, I wanted to make it more personal and hence the reason for this invitation letter.

Southwestern Yacht Club is again administrating the race. There will be no skippers meeting. There will be two races. The PC's will sail as a fleet and have their own start. The PCC's will have their own fleet / start and the event will count as their National Championship. The Post Race Awards Ceremony will be at Southwestern Yacht Club immediately following racing. Racers are invited to bring their own food to the Ceremony. Alcoholic beverages will be available for purchase.

If you know of any one who may be interested in racing in this event please pass along this information.

Please enter early so we can plan.

Thank you,

A handwritten signature in cursive script that reads "Doug".

Doug Jones
2010 Kettenburg Regatta Chairman
